

# SAVE THE DATE

The Delta Protection Commission is hosting two public workshops to receive public input on the Preliminary Draft of an updated Land Use and Resource Management Plan. Ideas generated at the public sessions will be incorporated into the materials provided to the Commission at its January 22, 2009 meeting.

This is the second round of public workshops. The first round, held on July 16 and 21, 2008, provided initial public input on areas for Plan revision. Staff and the Management Plan Update Advisory Team utilized those comments in preparing the Preliminary Draft that will be reviewed in the second round of public workshops. The Commission looks forward to public comments on the Preliminary Draft. A third round of public input workshops will be held in February 2009. More about the full Land Use and Resource Management Plan Update Process may be found at: <http://www.delta.ca.gov/plan/management.asp>

Please join us and share this invitation widely! A more detailed agenda will be available on the DPC website: <http://www.delta.ca.gov/> by December 26, 2008.
